

South Carolina Employers' Advocacy Association

Become a Part of the Voice Today.

South Carolina Employers' Advocacy Association, Inc. strives to be the voice in workers' compensation matters in South Carolina by advocating for employers before the Workers' Compensation Commission, the General Assembly, and other venues as appropriate. We seek to educate and inform members about legislative and regulatory issues and to work and cooperate with other organizations which have similar interests.

New in 2019

All membership dues are \$350. In addition, members may now opt to package educational program registration with their membership dues. This should simplify the approval process by combining dues and registration fees into a single request.

The Basic package is \$350 which provides membership for your organization and all of its employees. This provides access to member rate registration at this year's three educational events and includes you in member only communications.

Tier 1: \$500 This package includes the Basic above along with one registration per regional event for a total of three registrations. Value: \$575 – a savings of \$75.

Tier 2: \$650 This includes the Basic package described above and two registrations per regional event for a total of six registrations. Value: \$800 – a savings of \$150.

NOTE: The registrations included in the above packages can be used by any representative of your member organization.

Non-member registration will be \$150 per person.

Please take a moment to make any updates on your information. Thank you for your continued support of the South Carolina Employers' Advocacy Association! Membership is in the company name and provides educational opportunities to all employees.
